

## Home learning Autumn

It is *expected* that the following home learning will be completed each week:

### **Reading:**

Children are expected to read at home. Books are available to borrow from the classroom library. Reading aloud to an adult is strongly encouraged.

### **Spelling:**

Children can access and practise their spellings on Spelling Shed.

### **Maths:**

Children are expected to access Timetables Rockstars for 30 minutes a week.

### **Additional resources:**

There are lots of additional resources and websites that you can access on Starz which will support your child's learning.

The Art home learning below is optional:

This term I would like students to research a textile artist and produce a poster about them to go outside our classroom! You might include information about the artist's childhood, their birthday, how they became an artist, or a sketch of their work that you like!

Artist suggestions:

Gustav Klimt  
William Morris  
Owen Jones  
Anni Albers
