

Skylarks Class Times Tables Information Spring term

1 × 1	1 × 2	1 × 3	1 × 4	1 × 5	1 × 6	1 × 7	1 × 8	1 × 9	1 × 10	1 × 11	1 × 12
2 × 1	2 × 2	2 × 3	2 × 4	2 × 5	2 × 6	2 × 7	2 × 8	2 × 9	2 × 10	2 × 11	2 × 12
3 × 1	3 × 2	3 × 3	3 × 4	3 × 5	3 × 6	3 × 7	3 × 8	3 × 9	3 × 10	3 × 11	3 × 12
4 × 1	4 × 2	4 × 3	4 × 4	4 × 5	4 × 6	4 × 7	4 × 8	4 × 9	4 × 10	4 × 11	4 × 12
5 × 1	5 × 2	5 × 3	5 × 4	5 × 5	5 × 6	5 × 7	5 × 8	5 × 9	5 × 10	5 × 11	5 × 12
6 × 1	6 × 2	6 × 3	6 × 4	6 × 5	6 × 6	6 × 7	6 × 8	6 × 9	6 × 10	6 × 11	6 × 12
7 × 1	7 × 2	7 × 3	7 × 4	7 × 5	7 × 6	7 × 7	7 × 8	7 × 9	7 × 10	7 × 11	7 × 12
8 × 1	8 × 2	8 × 3	8 × 4	8 × 5	8 × 6	8 × 7	8 × 8	8 × 9	8 × 10	8 × 11	8 × 12
9 × 1	9 × 2	9 × 3	9 × 4	9 × 5	9 × 6	9 × 7	9 × 8	9 × 9	9 × 10	9 × 11	9 × 12
10 × 1	10 × 2	10 × 3	10 × 4	10 × 5	10 × 6	10 × 7	10 × 8	10 × 9	10 × 10	10 × 11	10 × 12
11 × 1	11 × 2	11 × 3	11 × 4	11 × 5	11 × 6	11 × 7	11 × 8	11 × 9	11 × 10	11 × 11	11 × 12
12 × 1	12 × 2	12 × 3	12 × 4	12 × 5	12 × 6	12 × 7	12 × 8	12 × 9	12 × 10	12 × 11	12 × 12

Children should be able to recall the full set of multiplication calculations (above) by the end of Year 4. (The most important 36 facts are highlighted above). To ensure that children continue to be fluent it is essential that facts are rehearsed and practised regularly throughout Year 5. For children who are not yet fluent this will also provide opportunities to consolidate these key facts.

We will work through with a focussed times table every month.

Autumn Term	January	February	March
X3, X6, X9	X4	X8	X12

Our weekly routine:

Children will be introduced to key multiplication facts every Monday and be tested on those the following Monday. Children will then have 3 opportunities across the week to rehearse the facts, including a TTRockstars session to recap on all the times tables.

What can you do at home to help?

Please encourage your child to regularly play TTRockstars at home. Little and often is the best way!

Your child's TTRockstars code is:

Games:

Playing cards- pull out a card and multiply it by your given times table. Or pull out two and multiply them together!

Times tables bingo! Make a board.

Call some facts and try for a full house!

B I N G O				
6 × 6	10 × 11	7 × 11	10 × 8	9 × 6
5 × 12	10 × 10	9 × 11	7 × 6	4 × 4
9 × 8	11 × 11	FREE SPACE	4 × 8	8 × 8
4 × 12	3 × 3	7 × 5	12 × 12	6 × 11
9 × 12	8 × 5	7 × 2	8 × 7	11 × 12

Speed tables! How long does it take to record all

the facts for a given times table! Can you set a PB?

Keep fit challenge! can you recite your times tables while exercising? How about when jogging or doing star jumps!

Memory game! Make some times tables cards and answers. Lay them upside-down. Can you pick out a pair of cards?
