

Home learning Autumn 1

It is *expected* that the following home learning will be completed each week:

Reading: Please listen to your child read using the Rhino reader guidance. Books are changed every Monday. Please note that we only change books once children can read them fluently (without sounding out). Please write in your child's reading record if they are reading fluently or are still sounding out.

Maths:

Yr1 Children can use the following websites to support their maths knowledge:

<https://www.bbc.co.uk/bitesize/articles/zf4sscw>

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

<https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zd4b382>

<https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/>

Yr2 Children are expected to access Timetables Rockstars for 30 minutes a week

Additional resources:

There are lots of additional resources and websites for you to access on Starz which will support your children's learning. The children will receive their account details in the coming weeks.

The History home learning below is optional:

In school the children will be learning about significant explorers in History. Your challenge is to make

A model of the Moon Landing

- Use recycled materials, Lego, cardboard, paper, foil, or other craft materials.
- You could make:
 - The Apollo 11 rocket
 - The lunar module (moon lander)
 - Astronauts on the Moon
 - The Moon's surface with craters

OR

A picture of the Moon Landing

- Draw, paint, collage, or colour a scene showing astronauts landing on the Moon.
- Include:
 - The Moon
 - An astronaut
 - The American flag
 - The lunar module

Please bring this home learning into school for us to share as a class.
