

Aim High, Fly High

Dear Parents/Carers,

I hope you and your family had a lovely half term. I am really looking forward to getting back into the swing of school life as we begin the spring term.

This term the children will be working at their desks more, if your child has a pencil case and glue stick that they would like to bring in, they are welcome to do so and leave these in their learning packs at school.

In English we will be reading 'the last noo- noo', in maths we are learning about place value within 20 and in topic (Geography) we are learning about Kenya. More information about our learning this half term can be found in the spring term curriculum overview.

This term P.E. will continue to be on Tuesdays and Wednesdays. Children will still be required to attend school in PE Kit on these days. Please ensure that your child has appropriate P.E. kit and that, for health and safety reasons, earrings are removed for P.E and that anyone with hair longer than shoulder length has their hair tied back.

Children will continue with Forest School, so please ensure that they have wellies or a change of shoes and long sleeves and trousers / leggings with them (forest school clothes could be left at school for the half term if desired).

Please can children bring a named bottle of water to drink during the day and ensure that all uniform is named.

Children will once again be sent home with their home learning grid containing an optional project. In addition, children will be expected to read at least 3 times a week- please remember to record this in their diaries. To move up our reading challenge, children will need to read 4 times a week. To support your child in their Maths, they have access to Numbots which they should play for at least 30 minutes a week.

We will be sending a P.E. bag home. Each week a child from the class will have a chance to take a bag with P.E. equipment home. There will also be a book inside with a checklist of items, suggestions for games to play at home and some space for pictures to be stuck in. Please feel free to add games you have played so others can enjoy your creative time as well. I hope you do not feel pressure with this bag. Do as much or as little as you wish. There is also a space for suggestions. I will be happy to hear feedback. If you could return the bag on a Monday then I can ensure it is passed onto the next person. If any equipment is lost or breaks then please inform me so I am aware.

If you have any questions or concerns, do not hesitate to contact me via the school office.

Kind regards,
Miss Jessica Ansell
